Complaints Policy

1. Complaints policy statement

- 1.1 At Safe for Children we value feedback. We are committed to ensuring customers, partners, stakeholders and individuals have the best possible experience with us.
- 1.2 We will take any complaint seriously, work with the complainant to resolve the issue, and will use any comments as an opportunity to learn and improve our services.

2. Complaints procedures

- 2.1 Our complaints procedures will be exercised in a way that will ensure any person making a complaint has the opportunity to be heard and treated fairly, and that the concerns raised will remain confidential to the parties involved.
- 2.2 The following procedures will be worked through step by step. These procedures can be ended at the completion of any step, so long as both parties are satisfied. If not, continue to the next step. At any point of intervention, all parties have the right to have a support person present.

Step 1	Approach the person directly about the problem in the first instance.
Step 2	<p>If you are not satisfied, give a written description of the grievance to the Director of Safe for Children.</p> <p>You will need to write to the Director either via email or letter:</p> <p>donna@safeforchildren.co.nz</p> <p>OR</p> <p>The Director, Safe for Children, P O Box 99762, Newmarket, Auckland 1149.</p> <p>Note: This written grievance is a private document and will be seen only by the Director, an independent mediator (if appropriate) and the person the complaint is directed at.</p> <p>The Director will notify the person making the complaint that the complaint has been received within 2 working days.</p>
Step 3	<p>The person that the complaint is about will be notified of the complaint and given an opportunity to read the written complaint and respond to the Director.</p> <p>If the Director is unable to resolve the complaint at this stage, or within 15 working days, the Director will move to Step 4.</p>
Step 4	The Director will appoint an independent mediator to hear from the person making the complaint and the person the complaint is against. The person making the complaint will be given two dates to choose from, and a meeting, where possible, will take place within 10 working days.
Step 5	The Director will meet with both parties together with an independent mediator as facilitator, within two weeks of the previous meeting. From this meeting the Director will make a final decision and direct any action to take place. The person making the complaint will be able to choose from two dates for the meeting.
Step 6	If the complainant is not satisfied, the Director will advise the complainant of further avenues, e.g. a third party dispute resolution service.

3. Assessing complaints

3.1 When we assess concerns raised, it is our aim to:

- keep an open mind and take a fresh look at the issues raised
- acknowledge any mistakes and put them right
- have our response checked for quality, completeness, and accuracy
- be fair
- see things from the point of view of the person making the complaint
- understand the reasons why the complaint has been lodged and address those reasons
- operate within legal boundaries and Safe for Children policies.

4. What we need from you

4.1 It will make it easier for us to resolve your complaint if you (the person making the complaint):

- clearly identify the grounds for the complaint
- provide any extra information we ask for
- act honestly and treat us with courtesy and respect – we will do the same for you (the person making the complaint).

5. Reviewing complaints

5.1 A central complaints register will be held in the Safe for Children management drive for review and audit purposes.

5.2 Management will periodically review any complaints and check for patterns in the type, nature and handling of complaints.
